Notice of Change of Fiscal Year End

Tokyo, Japan—March 19, 2013—FUJISOFT INCORPORATED (“the Company”) announces that a meeting of its Board of Directors held on March 19, 2013 resolved to change the Company’s fiscal year end, provided an associated amendment to the Articles of Incorporation is approved at the 43rd General Meeting of Shareholders to be held in late June 2013. Details are as follows:

1. Reason for the change

The Company’s fiscal year is from April 1 to March 31 of the following year. However, because of seasonal factors in the Company’s core business, March is a particularly busy month. By moving its account closing procedures to another month, the Company aims to even out the workload and thereby improve management and operational efficiency.

By changing its fiscal year to the same period used by its overseas subsidiaries, reflecting the globalization of its operations, the Company will disclose their management information properly and in a timely manner.

2. Change in fiscal year end

Now: March 31

After the change: December 31

(Note) With the change in the fiscal year end, the 44th term will be nine months from April 1, 2013 to December 31, 2013.

To improve efficiency in Group management, consolidated subsidiaries will also change their fiscal year to the same period.

3. Outlook

The forecast for the results for the 44th term will be disclosed in the summary of consolidated financial results for the fiscal year ending March 31, 2013, which will be announced in May 2013.

4. Amendment to Articles of Incorporation

The Company will disclose a draft amendment to the Articles of Incorporation associated with the change in the fiscal year end immediately after the draft is determined at a meeting of the Board of Directors to be held in May 2013, as a proposal to the 43rd General Meeting of Shareholders to be held in late June.
