## **Announcement of Tournament Cancellation**

Robot Sumo tournament and ROBOFOOTBALL TOURNAMENT 2021

Announcement of various tournaments cancellation

Thank you for your support to Robot Sumo Tournament and INTERNATIONAL ROBOFOOTBALL TOURNAMENT & AMERICAN ROBOT FOOTBALL.

We regret that we have decided to cancel 2021 year's tournament.

There is a concern about the possibility to ensure the safety of the tournament management through various infection countermeasures. However, as participants from all over the country, it will be difficult to ensure safety in all processes related to participation, such as traveling, lodging, eating and drinking, and we have decided that the tournament will need to be canceled this year as well. We kindly ask for your understanding in order to protect the safety of all participants and organizers.

In addition, this year we are considering events such as online conferences and contests that are possible even in the covid19 situation. We are looking forward to seeing you.

The following 2021 tournaments will be cancelled.

All Japan Robot Sumo Tournament 2021 Regional Tournament	September-October 2021	Canceled
